

## Getting access to the Rotary Youth Exchange Database for Denmark

When you have created a password, you will be guided to the login page, which is the frontpage of Rotary.dk – main website for Rotary in Denmark.

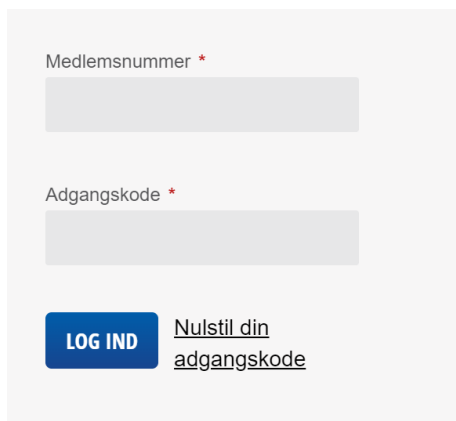

Now the challenge comes as this is all in Danish (You can of course choose to have the browser translate to English).

But here is what you do now:

Press the orange “Mit Rotary” button:

In the next screen, enter your YEP number as “Medlemsnummer” and your password as “Adgangskode”

A login form with two input fields: "Medlemsnummer \*" and "Adgangskode \*". Below the fields is a blue "LOG IND" button and a link "Nulstil din adgangskode".

Now you press the blue “Log ind” button.

You are now logged in, and need to find the Youth exchange system.

Either use this link: <https://rotaryyep.dk/student/profile> (save this link for later access 😊)

Or find it via the menus – first choose the following menu item (“Ungdomsudveksling”):

And in the next menu the following menu item (“Database”):
